

Presentation at JBIC Middle East 10-year anniversary event, 22 Nov 2016

The presentation titled "[The Middle East through the looking glass, 2016-2026](#)", was delivered at the Japan Bank for International Cooperation Representative Office Middle East 10th-year Anniversary Conference held in Dubai on Nov 22, 2016.

The focus on the presentation was the shifts in economic and financial geography, an insight into the economic consequences of the new oil normal, and ended with thoughts on the new development model for the next 10 years.
