

The Emerging Tax Landscape in GCC & wider MENA region, Presentation at Reuters "Preparing for VAT" seminar, 23 Nov 2016

The presentation titled "[The Emerging Tax Landscape in GCC & wider MENA region](#)", was delivered at the Thomson Reuters Seminar "Preparing for VAT", held in Dubai on Nov 23, 2016. The presentation provided an overview of the MENA tax landscape, followed by a section on how to design modern tax systems before concluding with an outlook into what next for taxes in the GCC (beyond VAT).
