

Interview on CNN's Connect The World with Becky Anderson on Covid19, low oil prices and Lebanon, 9 Mar 2020

Dr. Nasser Saidi was interviewed on CNN's Connect the World with Becky Anderson on the 9th of Mar 2020.

Watch the interview videos below:

Just how bad are things with Lebanon's economy? What will a combination of COVID19 & the collapse in oil prices bring about in the MENA region? With global stocks falling fast, oil plummeting and COVID19 fears spreading, how should policymakers respond to the crises?
