

Bloomberg Daybreak Middle East Interview, 28 Mar 2021

Dr. Nasser Saidi joined Manus Cranny and Yousef Gamal El-Din on the 28th of March, 2021 as part of the Bloomberg Daybreak: Middle East edition, discussing the blockage of traffic in the Suez Canal and the fragility of global supply chains, how the US should focus on getting the economy going again and Covid19 risks rather than focusing on inflation, and how the China-US confrontation is affecting market sentiment.
