## Comments on Lebanon's economic & political crisis in The Telegraph, Oct 9 2021

[Lebanon on life](#) Dr. Nasser Saidi's comments appeared in an article in The Telegraph titled " " on 9th October 2021. [support](#)

The comment is posted below.

*Former economy minister Nasser Saidi has said that “Lebanon is that rare combination of an experienced Kleptocracy and a Kakistocracy” – ruled by an elite that is both corrupt and incompetent – that pulled off the “greatest Ponzi scheme in history”.*
