

# **“GCC Growth & Transformation in a Fragmented World”, Presentation to delegates from Singapore, 19 Feb 2025**

Dr. Saidi presented to a delegation from the Ministry of Foreign Affairs of Singapore the presentation titled “[GCC Growth & Transformation in a Fragmented World](#)” on 19th Feb 2025.

The session covered the heightened global economic policy uncertainty amidst the increasingly accelerated deglobalisation. The presentation focuses on the rising opportunities and challenges for the GCC, its emerging role as Middle Powers and the increasing pivot to Asia.
