

Interview with Al Arabiya on the Fed's second rate cut in '25, 29 Oct 2025

In this TV interview with Al Arabiya aired on 29th October 2025, Dr. Nasser Saidi discussed the below questions.

Why did members of the US Federal Reserve vote to hold interest rates steady at the October meeting? And does the Fed really lack justification for a rate cut amid the sharp division among its members?
