

"The Role of Boards in Promoting Good Corporate Governance", Presentation to boards of UAE's listed companies, Feb 2019

Dr. Nasser Saidi presented "[The Role of Boards in Promoting Good Corporate Governance](#)" to the chairmen and board members of UAE's listed companies at workshops organised by the Emirates Securities & Commodities Authorities in Dubai (on 5th Feb, 2019) and in Abu Dhabi (on 7th Feb, 2019).

The presentation discussed the importance of corporate governance, and how to build an effective board governance structure, while also highlighting some results from international frameworks for corporate governance. "Good corporate governance is not about compliance, it is an investment to improve performance, shareholder value & economic development" was one of the key takeaways highlighted during the talk.
