

Pandenomics 2020, webinar presentation at the Athenaeum Dialogue, 16 Apr 2020

Dr. Nasser Saidi was invited to speak about the impact of Covid19 on the global and regional economy on 16th Apr 2020, as part of The Athenaeum Dialogue (a closed group of members). As part of the presentation titled "[Pandemonics 2020](#)", Dr. Saidi explored past pandemics' facts, the current status of covid19, its economic effects as well as the priorities and policy responses required to move forward. Ending the presentation with a question whether a new post-Covid normal would emerge, Dr. Saidi also explored plans for the recovery phase.
